From the East

Brethren,
The carpet has been repaired, new mats installed after the floor had been repainted and the new sound system has been installed and working. Thanks for all the work Bros. Floyd & Sam & work crew. I have been told that we have several new petitions for 1st degree and we have unfinished from the spring. At least one 3rd degree and maybe some 2nd degree work. We will be presenting Jacqui Evens with her widows' pin on 9/8/2011 @ the dinner before lodge.
Fraternally,
James Webb
Worshipful Master

From the West

Brethren,
WOW, hard to believe summer is almost over and we are heading back to lodge. I trust everyone had an enjoyable summer break. I know I did. For me September marked the end of a 22yr career in the U.S. Air Force. Word on the street is we will have quite a few degrees to put on before the end of the year. If anyone is interested in helping or having a part in degree work please let one of us know. We would love to have you. See you on the 8th for our stated meeting.

Fraternally,
Phil Bertuglia
Senior Warden

From the South

Greetings Brethren,
 From the south...summer is winding down and it is time to get back to the lodge business. September 8th is our first stated meeting out of the dark. As of this writing I have no idea what the meal will be, I am open to suggestions. This will probably be a busy year as we have a lot of degree work coming on. Trustees have been busy, the kitchen floor is a piece of art new fans in the dining room and I think the P.A. system is up and running. Hope to see as many as possible September 8th for dinner at 6:30 or reasonable close to it.

Fraternally,
 Fred Beeman
 Junior Warden

From the Secretary

Brethren,
 Our Summer vacation is drawing to an end. We have lots of work to do and will require much help to complete it. Now for a little Masonic information. What becomes of the Dimit or Demit after affiliation? It becomes the property of the lodge, or Masonic body in which affiliation was made.

More next month.

Fraternally,
 Frank Heyer, PM., Secretary

Announcements

HOT NEWS

Stated meeting is September 8th...Dinner at 6:30.
 See you there!

Masonic Trivia

Are there any cases where one who presides in a Masonic Body does not hold a title of "Past."
 Yes, but in such cases he is usually, "Emeritus."
 What two Sciences have always been held in special reverence by Freemasons?
 Geometry and Astronomy, the latter because it underlies the former.
